J

Jose Rincon

Computer Information Technology Student at CSUN

I'm a Computer Information Technology student at California State University, Northridge, graduating in May 2028. I'm interested in IT, operating systems, and cloud computing, and I'm looking for opportunities to build hands-on experience in the field.

Work Experience

Bar Lead

R1

July 2025 - Present

Lead the bar team and keep service running smoothly during busy shifts.

- Guide and support fellow bar staff during shifts
- Prepare and serve drinks quickly and accurately
- Provide friendly customer service in a fast-paced environment

Education

California State University, Northridge, 2022 - Present

B.S. in Computer Information Technology (expected May 2028)

Relevant coursework: Operating Systems Management, Information Technology for Business Managers, Cloud Computing.

Skills: HTML & CSS, Git & GitHub

Let's Keep in Touch!
